## FSA Field Operations Inspection Services

	Lead Inspectors	Full Time Inspectors / Coordinators*	Part Time / Assistant Inspectors
Dairy Hygiene Inspection	 1 Lead Inspector + 1 Lead Coordinator (Technical)	 9 Dairy Hygiene Inspectors (DHIs)	 26 Dairy Hygiene Inspectors (Most MHIs)
Unannounced Inspection - Meat (UAI)	 3 Regional Lead UAI's (Technical)	 18 Field Veterinary Coordinators* (FVCs)	 24 Unannounced Inspectors ** (UAIs)
Wine Standards Inspection	 1 Lead Inspector (Non-technical)	 5 Wine Standards Inspectors (WSIs)	 6 'Assistant' / PT Wine Standards Inspectors

\*Field Veterinary Coordinators support the UAI inspectors with target visit planning and technical leadership but do not perform scheduling and inspections themselves. They perform several other roles in the Meat Inspection Service. They report to 9 Field Veterinary Leaders across 3 regions. All are Service delivery partner employed.

\*\*Most UAI's work as MHIs (Meat Hygiene Inspectors) in the slaughterhouse sites as their primary day job with UAI role enhancement. They report to both their regional UAI Lead and their local cluster Inspection Team Leader. Some may also perform part time DHI inspections.
